

You won't find many street signs on Puerto Rico. For that reason the directions below are based on landmarks and street numbers. Please print out the driving directions, do not trust the GPS, they do not work precisely in our area.

For the Bio Bay "Laguna Grande" adventure the GPS coordinates are 18°21'48.2"N 65°37'41.0"W (Just in case as a backup).

### Driving Instructions: From Metro San Juan to Bio Bay Launch site

Take Route #3 eastward to Fajardo. To save some time you may consider taking the 66 Expressway (which also passes by International Airport), as it circumvents traffic, ending farther down route #3. **(There will be a tollbooth charge).**

Approaching Fajardo look for a large shopping mall (Plaza Fajardo) on your right (anchored by Walmart and Econo supermarket) and McDonald's on your left. At the light go left onto Valero Ave (194) proceeding 1 mile to the intersection with El Conquistador Ave (with a small shopping mall on your left) and take a left at the light. Proceed on this avenue for approximately 4 miles. After passing the first stop light on El Conquistador Ave. look for a green sign on your right that says "El Conquistador" as you will have to turn right at some point to stay on El Conquistador Avenue. At the end of the avenue take a left onto Carretera Las Cabezas (987). You will see the entrance of the resort El Conquistador on your right; continue straight to Carretera Cabezas (987). **You will pass a gas station on your right hand side, once you pass the gas station you will see Calizo Restaurant. After you pass Calizo Restaurant the road will curve to the right, once you pass the curve in road, the road will be divided in two.** Keep right, go up the hill, and when you finish going down the hill at the stop sign make a left turn and in two seconds you will reach the entrance Kayak Village to your right hand side with a tall tower almost at the entrance. Now is time to start looking for parking space, once you find parking, put everything in the trunk of the car, and start looking for Pure Adventure staff.
